MARTINS FERRY CHRISTIAN SCHOOL NEWSLETTER

January 27, 2021

DISINFECTING WIPES NEEDED

We have run out of disinfecting wipes and would greatly appreciate any donations now that most of the stores are back in stock.

Math Olympics

Congratulations to the students who have made our 2020-2021 ACSI Math Olympics team. They will take a test to compete against other area Christian schools in February.

3rd Grade

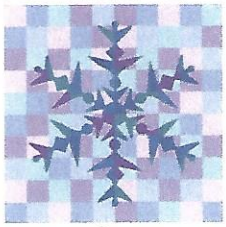
Reasoning: Mason Krol, Lukka Merrill
Computation: Shawn Farley, Brynn Heller, Lexi Russell

5th Grade

Reasoning: James Buckingham
Computation: Gracie Evans, Aaron Tucker

6th Grade

Computation: Olivia Buckingham, Landon Sawchuk, Alana Wilson



2hr. Delays/Cancellations

We wanted to remind you of some important information regarding 2-hr. delays & cancellations so that you will be prepared. We will use our text notification system.

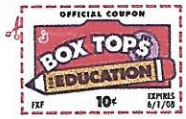
You can also watch TV channels 7 & 9 for the most up-to-date information or log on to WTOV9. com.

We do not always follow the same schedule as the public school or the pre-school. We will be listed as **Martins Ferry Christian Grade School.**

If we have a 2-hr. delay, school begins at 10:30 and 10:45 (early drop-off at 9:30).

Also, some days will be marked "closed" and others may be "remote learning". If it says "closed" it is a calamity day and there is no online classwork.

Box Tops for Education



Our annual Box Tops for Education collection will **conclude on Wednesday, February 15th.**

Please send in your Box Tops – found on Betty Crocker, General Mills, Ziploc, and other products.

Each Box Top is worth 10 cents.

Please DO NOT SEND EXPIRED Box Tops and please don't trim down the very small ones- they are hard to handle when they are so small.

Don't forget to keep SCANNING YOUR RECEIPTS to get credit for the ELECTRONIC BOX TOPS!

www.mfchristianschool.org is our school website. Calendars, newsletters, etc. can be found on the website.
